

# When Universal Compression needs Parts and Service for their global fleet of 2,000 Ajax<sup>®</sup> Compressors...

## They know the support of EnDyn's PowerParts<sup>®</sup> Team has no boundaries!

Why does Universal Compression call EnDyn for all their Ajax<sup>®</sup> needs? Because they know our multi-million dollar inventory ensures 100% coverage of new replacement PowerParts<sup>®</sup> for their Ajax<sup>®</sup> equipment, from the EA-22 and DPC-800 to the 2804 LE and all compressor cylinders.

They know our ReMan and Exchange Program can save them money and downtime by using remanufactured parts and assemblies machined to "as-new" specifications with a one-year warranty (equal to that of OEM new.)

They know our Innovative Product Development,

including our Upgrade Conversion Kits and in-house Re-engineering Team, can provide cost-effective solutions to upgrade their existing Ajax<sup>®</sup> equipment. And, our revolutionary Just-in-Time (JIT) Kits will decrease their inventory carrying costs and downtime for Ajax<sup>®</sup> overhauls, maintenance, and inspections.

Whether your fleet is made of 2,000 units or just one, call EnDyn, or within the continental United States, any Universal Compression sales or service center, for Ajax<sup>®</sup> PowerParts<sup>®</sup>. Our knowledgeable sales associates will provide the technical support you need. Isn't it time you think EnDyn?
